

# Supporting Recovery After Stroke: Strategies for Optimizing Client Function and Adjustment

May 14, 2025

**Allaire Health Services**  
**115 Dutch Lane Road**  
**Freehold NJ 07728**

Claire McGrath, PhD, ABPP  
Senior Director of Brain Injury Services at Bancroft Neurohealth  
Michael Newell MSN RN CCM  
President, LifeSpan Care Management LLC

Case Managers and other Patient Advocates are charged with coordinating the care of patient clients who have suffered the devastating effect of brain injury due to various forms of Stroke. This presentation is aimed at enhancing the knowledge base of clinicians to aid the recovery curve of clients and to optimize the function and quality of life of clients along the care continuum.
